Choose a PD Array	3
Little Confirmation	4
More Confirmation	5
Final Word	7

PD Arrays

Order Of Reversal

- 1. turtle soup
- 2. inversion
- 3. cisd / ob
- 4. fvg
- 5. breaker

Choose a PD Array

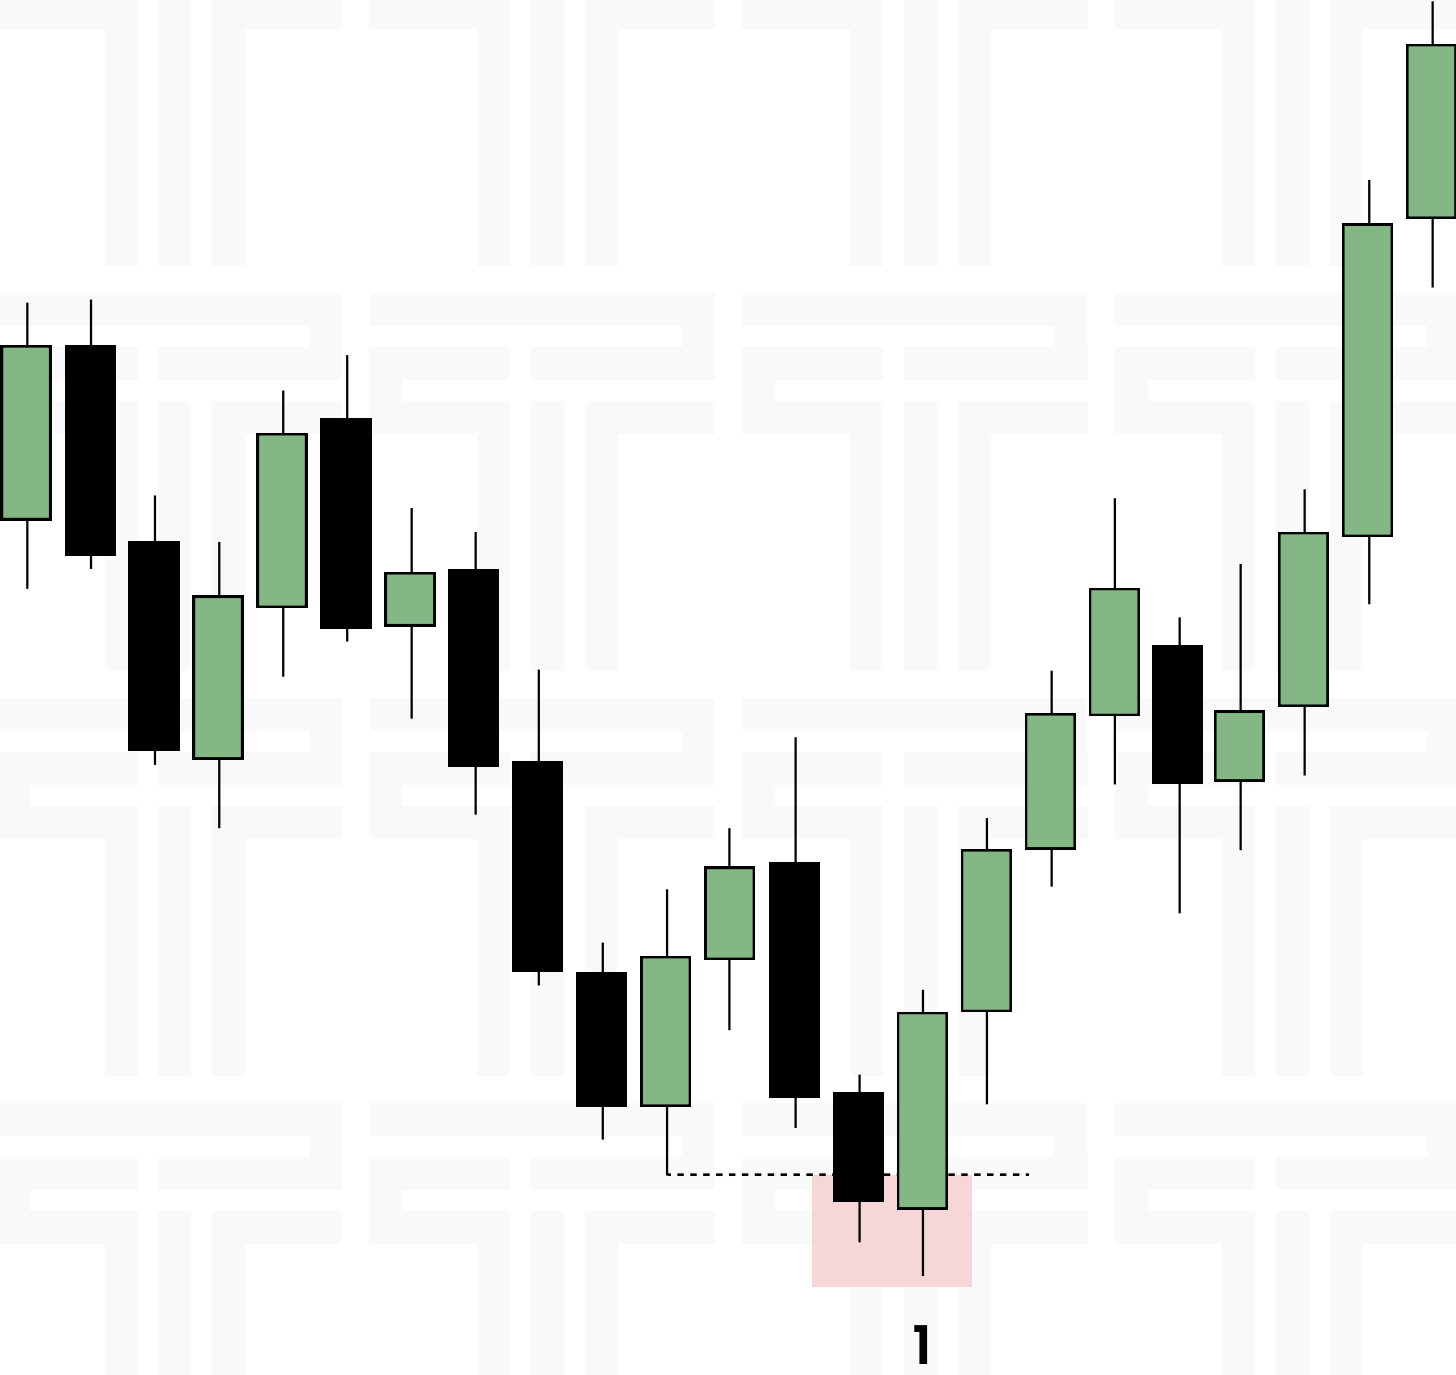

Which PD array is the easiest for you to see on the chart?

Which one makes the most sense?

How much confirmation do you need?

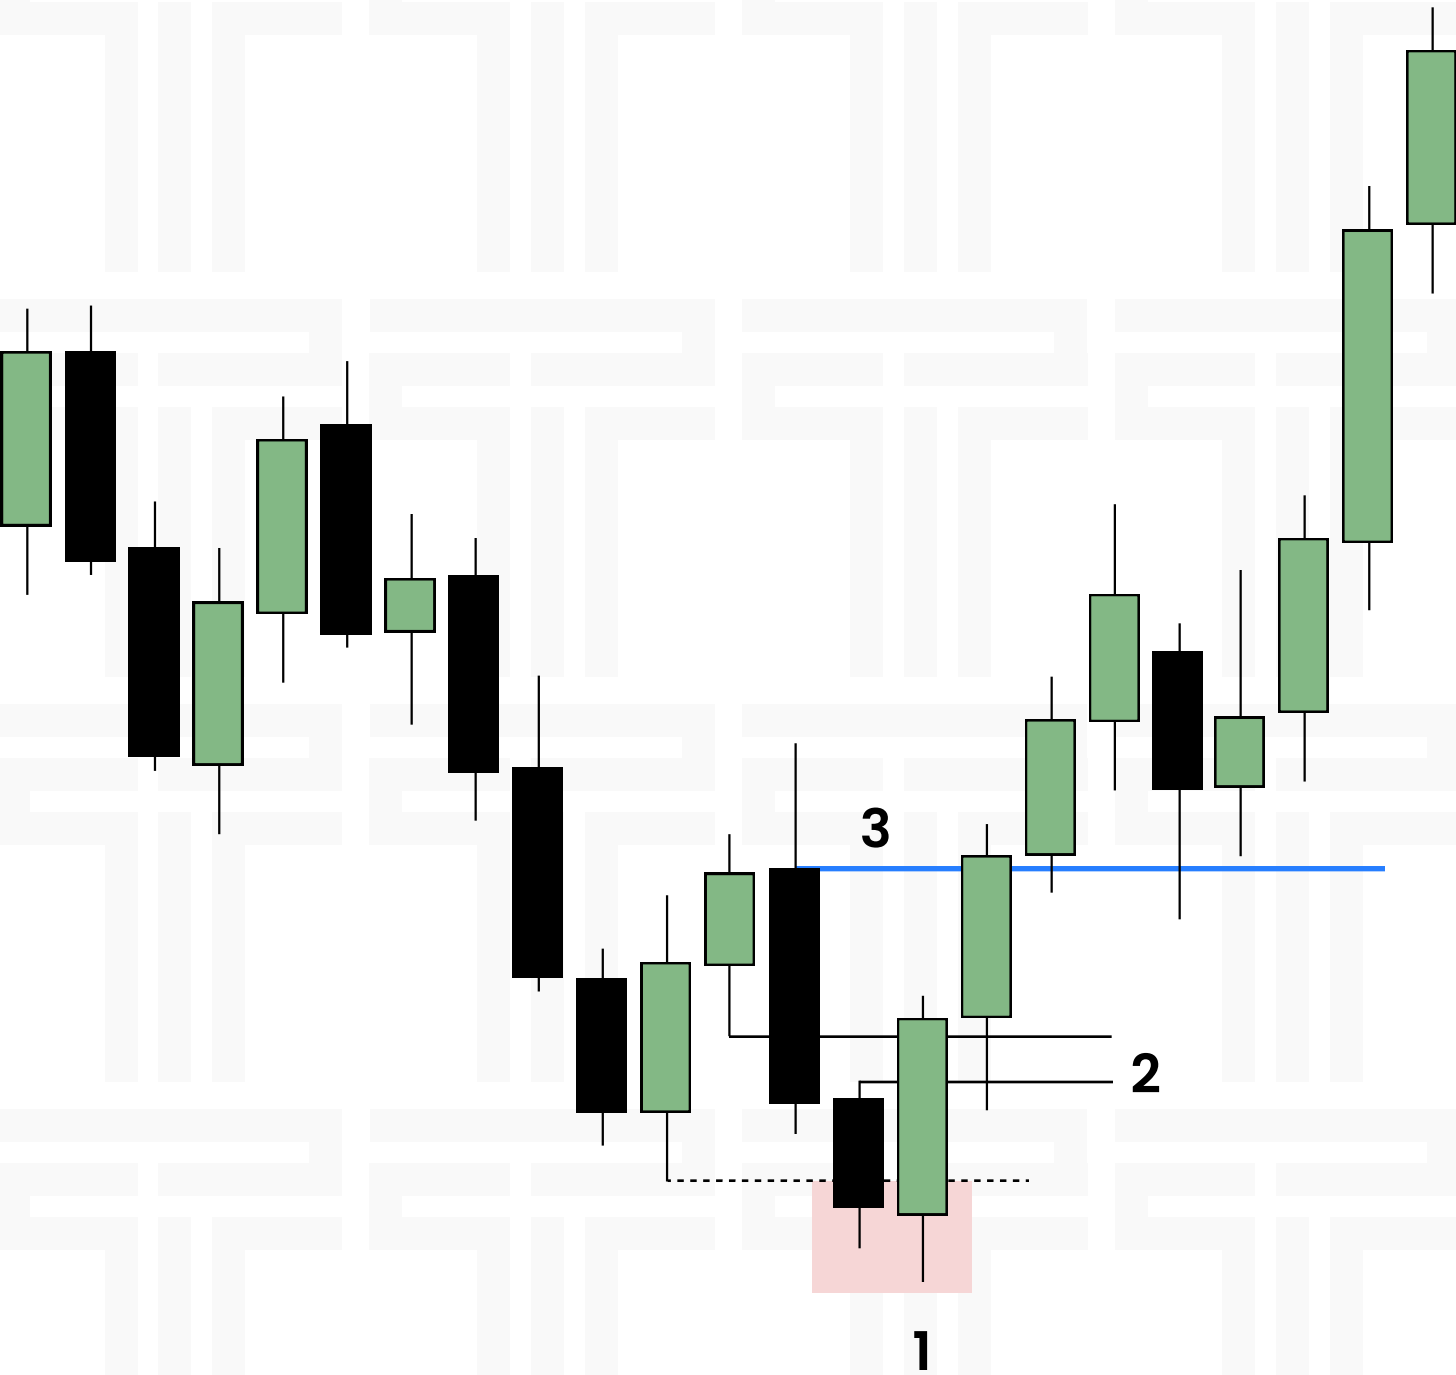

Little Confirmation

1. turtle soup

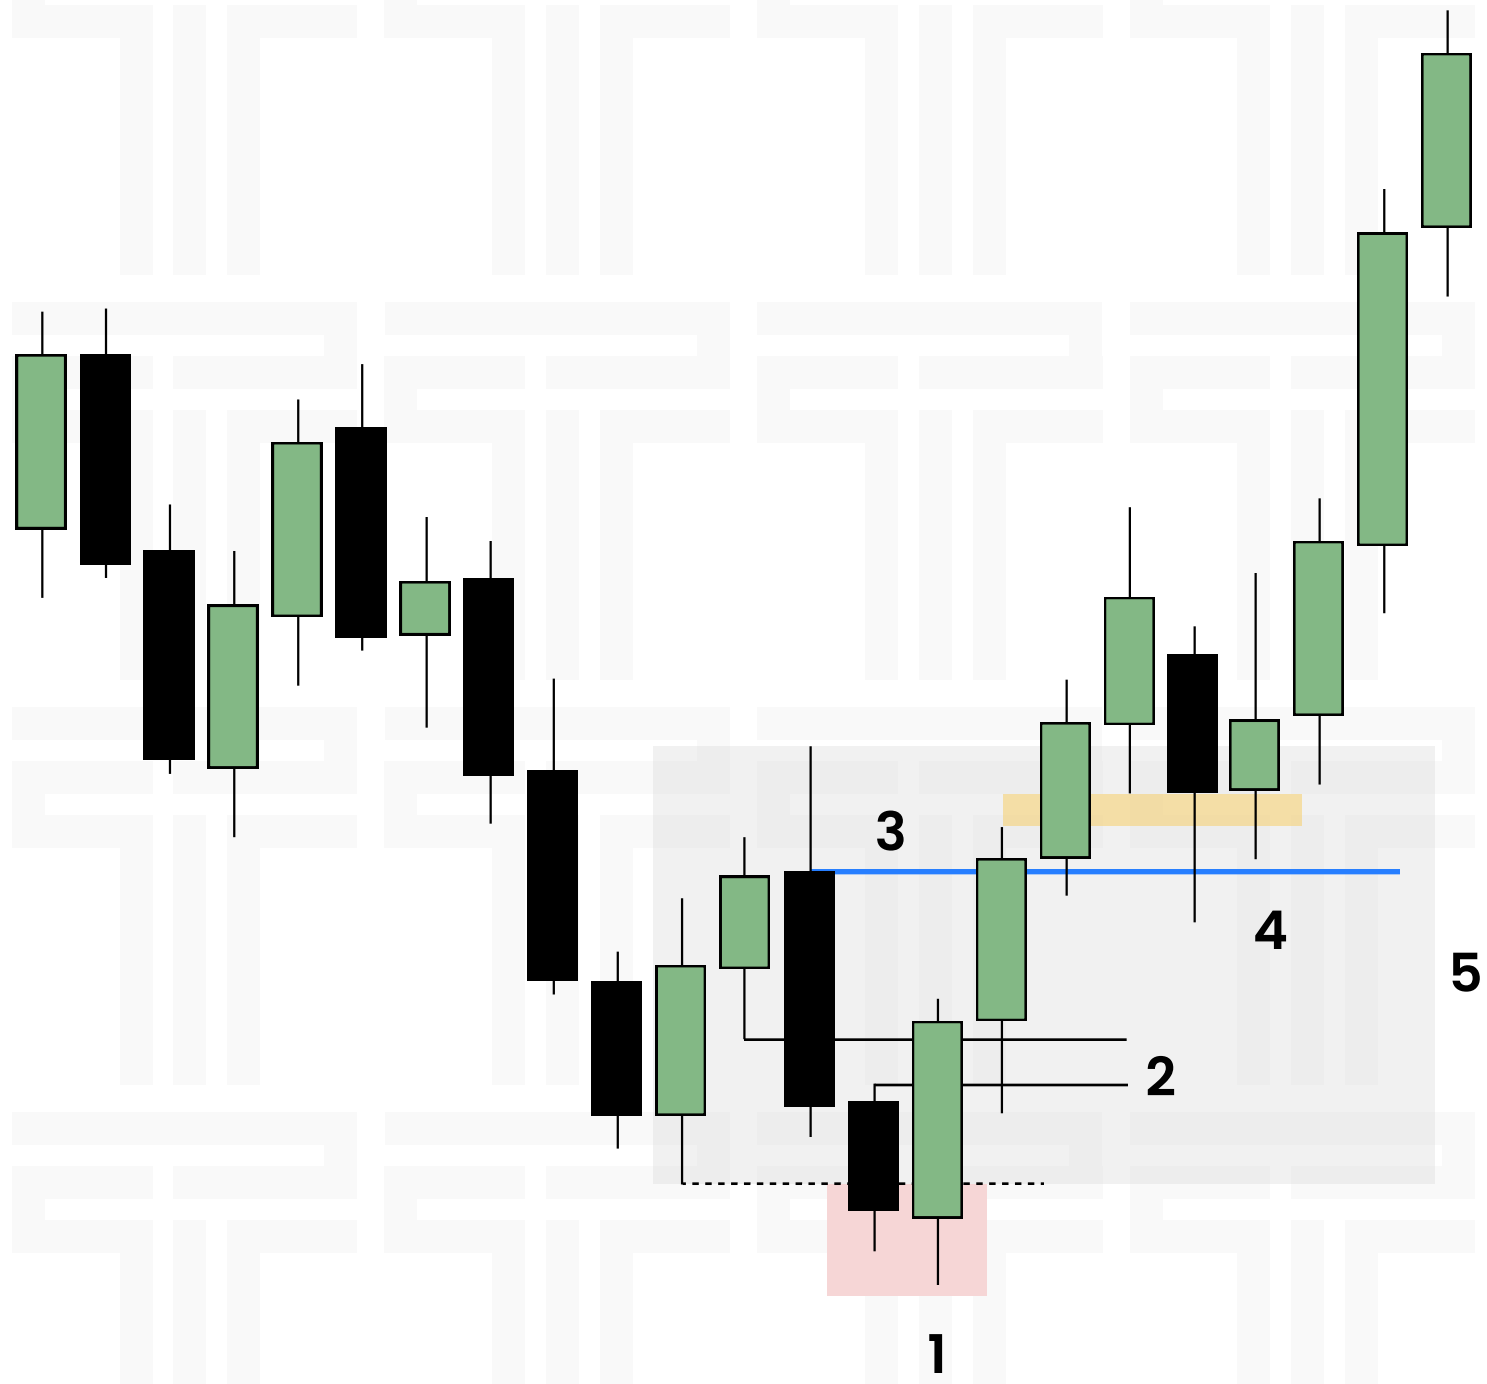

More Confirmation

- 1. turtle soup
- 2. inversion
- 3. cisd / ob

More Confirmation

- 1. turtle soup
- 2. inversion
- 3. cisd / ob
- 4. fvg
- 5. breaker

Final Word

Find one PD array that suites you... forget the rest

Focus on viewing price action using highs, lows, and your selected PD array

Stop jumping around to new things
