Timing

Futures	Forex
18:00	17:00
22:00	21:00
2:00	1:00
6:00	5:00
10:00	9:00
14:00	13:00

Summary

Use the h4 to determine a bias and candle closures to determine if price should expand or make a low and expand.

Let the wick form, trade the body. Once price is expanding, entries become easier
